SUBJECT: UNSC DESIGNATION OF FDLR LEADERS

REF: STATE 016194

Classified By: DCM Cheryl Sim for Reasons 1.4 (b) (d)

(C) DCM delivered reftel demarche to Ministry of Foreign Affairs Acting Permanent Secretary Joseph Kabakeza on February 24. Recalling the lengthy collaborative effort between the U.S., Rwanda and other governments to successfully sanction senior FDLR leadership, DCM noted the USG would, in concert with other members of the UNSC Sanctions Committee, submit the names of four individuals for sanctioning. DCM pledged to continue to work with the GOR in seeking adequate identifiers for other FDLR leaders. Kabakeza welcomed the submission of the four names, and warmly accepted the offer of future joint efforts, saying, "We will work with you on these other names." On the question of the apparently differing approaches of the Ministry of Foreign Affairs in Kigali and its Permanent Mission in New York to the submission of names for sanctioning, DCM and Kabakeza agreed that the matter was an internal GOR concern to be resolved within the Ministry.
